## The Nature Link LLC

Nature Inspired Gallery & Studio

Conifer, CO – 847-899-3462

*Representing Nature-Loving Artists*

Dear Artist,

Thank you for your interest and applying to be an artist in The Nature Link LLC's Gallery. Founded in 2021, The Nature Link LLC's Gallery & Studio is open to artists who create nature-themed or nature-inspired artwork. Works of fine art and crafts are welcome for sale and display in any medium pending approval. While the majority of artists exhibited at TNL's Gallery are from our local mountain communities, artists are welcome to apply from other parts of the state, country, or world.

Submissions are to be made via email, and our application can be found on our website at [www.thenaturelink.com](http://www.thenaturelink.com). Please fill out the application completely and send along with 4-6 digital images. Upon preliminary acceptance artists will be requested to bring the 4-6 works of art into the gallery to be reviewed in person for quality, technique, and relevance. All pieces should arrive complete, with a professional appearance and ready to be displayed. All final artwork acceptance will be based on the review of the actual artwork.

### **Art Exhibition and Sales Agreement:**

- Each artist will pay an initial \$25 submission fee for review of their artwork into the gallery.
- Each artist is required to keep their inventory up to date and occasionally change displays to feature new work during the year.
- All work to be displayed and sold must be consistent in quality with the work that was accepted into the gallery during the initial review.
- The Nature Link LLC retains 50% commission of the retail sales price of each work of art sold.
- Artists are paid on a monthly basis for artwork sold during the previous month.

Please email the completed application to Dina Baker, The Nature Link LLC's Owner/Founder, at [dina@thenaturelink.com](mailto:dina@thenaturelink.com).

We are looking forward to viewing your artwork! You will be notified within two weeks of submission via email of the gallery's decision. Artists are always encouraged to re-apply if not accepted the first time around.

I understand and agree to the terms outlined above and in The Nature Link LLC's artist application.
